## REGULAR MEETING

Monday, April 11, 2022

Meeting called to order at 3:08 p.m.

Members present: Commissioner Gallagher, Commissioner Bridges, Commissioner McCourt, and Commissioner Stafford. Absent: Chair Eid.

Staff Present: John Benoit, Executive Director, Jennifer Stephenson, Deputy Director, and Ruth McElrath, Building Permit Technician.

Commissioner Gallagher elected to serve as meeting chair.

**Approval of Agenda:** Motion by Commissioner Bridges, second by Commissioner Stafford to approve the agenda as submitted. Motion carries: Ayes: Bridges, Stafford, McCourt, and Gallagher.

**Correspondence:** None

**Approval of the February 14, 2022, meeting minutes** Motion by Commissioner Bridges, second by Commissioner Stafford to approve the February 14, 2022, meeting minutes. Motion carries: Ayes: Bridges, Stafford, McCourt, and Gallagher.

**Public Comment:** None

**Discussion with Fire Agencies regarding Fire services going forward in Lassen County**

Mr. Benoit explained the fire chiefs will have to get together and determine what a JPA is going to do and seek an attorney to help them get through the process.

The Commission held further discussion regarding JPAs, an existing JPA, and whether that entity would want its power extended.

As part of the fire discussion, Chair Gallagher added CalFire has grants available for different fire agencies, although not large grants, there is one for approximately \$20,000 for equipment.

Trisha Wood, of the Herlong Public Utility District, responded her district received the grant last year, but there are stipulations, It is a 50/50 match with \$20,000 paid out of pocket and a \$10,000 reimbursement. It includes communications and wildland equipment.

**Public hearing regarding the 2022-2023 Lassen LAFCo budget**

Mr. Benoit said this would be his last budget as he will be cutting back. He continued that there has been 18 years of stable inflation, and he was going to ask for an increase for the executive officer services to keep it sustainable, as well as to cover training time.

Mr. Benoit continued explaining that CALAFCo dues have also gone up by \$69, and he increased the executive officer's budget from \$30,000 to \$40,000. There has been a good carry-over, and what the City/County pays will be the same this year. He has been charging on an hourly basis, but he added it must go up, because other rural counties are much higher than this. The budget here is still small.

He concluded that after the final budget, the Commission should appoint several people to negotiate with Ms. Stephenson and he would want an exit contract in case LAFCo was sued and he was named in a lawsuit.

Chair Gallagher commented that Mr. Benoit made good points in his staff report regarding gas prices and inflation, etc.

Ms. Stephenson shared a little bit about her background with LAFCo, including serving as a deputy for Mr. Benoit.

Public hearing opened at 3:29 p.m.

Public hearing closed at 3:30 p.m.

Commissioner McCourt asked what LAFCo's funding source is.

Mr. Benoit responded it is funded by both the City and County, and he had advised a different City they could pay for LAFCo out of its enterprise fund, but it is up to the City how it will be funded.

Commissioner McCourt asked where he could research if enterprise funds could help pay into LAFCo.

Mr. Benoit responded he should talk to the Finance Manager. He continued that he did not know of any prohibitions for using enterprise funds and stated that fund has an admin budget, and a portion could pay for LAFCo.

A discussion was held regarding how districts pay fees.

Sandy Raffelson, of the Herlong Public Utility District, shared a brief history about her district.

Commissioner McCourt asked about record keeping, specifically the historic annexation map, and if it is part of the budget.

Mr. Benoit responded it is all in the budget, and the function is to keep the records of the commission. Lately, staff has been moving to electronic copies, as opposed to paper. There are a lot of hard copies and

there is a records retention policy, which will be brought back for re-examination. The most important thing is, if there is a fire, that there is a recorded document at the County Recorder's office.

Motion by Commissioner Bridges, second by Commissioner Gallagher, to approve Resolution 2021-0004 adopting the proposed 2022-2023 LAFCo budget. Motion carries: Ayes: Bridges, Stafford, McCourt, and Gallagher.

**Discussion and action regarding the storage of LAFCo files**

This was a continuing matter and Mr. Benoit explained he has purged duplicate files and budgets, and he has electronic files.

Chair Gallagher suggested storing files with the County Clerk.

Mr. Benoit responded a lot of people have them professionally scanned, then the records get sent off-site, which a lot of agencies do.

Ms. Stephenson added Plumas County is scanning in a drop box system so its online allowing herself, Planning and the Clerk have access to them.

Mr. Benoit said that is a good idea and he would even go so far as to make them available to the public.

**Authorize payment of claims for February 2022 and March 2022**

Motion by Commissioner Bridges, second by Commissioner Stafford, to authorize payment of claims for February 2022 and March 2022. Motion carries: Ayes: Bridges, Stafford, McCourt, and Gallagher.

**Executive Officer's Monthly Reports**

There was discussion regarding forming a committee to negotiate a contract with Ms. Stephenson. She stated she could bring a draft contract back to the Commission, and the Commission agreed.

Mr. Benoit addressed Senate Bill 938 and explained LAFCo has convoluted, complex protest proceeding. The bill, sponsored by CALAFCo, will simplify the process.

**Commissioner Reports: None**

**Adjourn:** Meeting adjourned at 3:55 p.m.

## LASSEN LAFCO

### EXECUTIVE OFFICER'S REPORT

June 13, 2022

**TO:** Local Agency Formation Commission  
**FROM:** John Benoit, Executive Officer  
**RE:** Final Budget for FY 2022-2023

A "recommended" budget was presented at the April 11, 2022 meeting and adopted. A Budget Justification Report was prepared for that Budget Hearing. Please refer the Budget Justification Report for information on each of the items below.

Inflation for last calendar year was \$6.4% and current year over year is now 7.9% and increasing daily. Over the past 20 years the LAFCo Budget has been rather consistent but going into the future, unless inflation is addressed, substantial increases in the LAFCo budget will have to occur. The Commission should consider rethinking the funds allocated to staff services since this is a major cost. While a mute point the current Executive Officer's hourly rate has not changed in 20 years. Going forward it is inevitable staff costs as well as operational costs will increase. Many of the other items in the budget remain adequate this time.

#### ANTICIPATED REVENUE:

There is no anticipated revenue stated.

The apportionment to the City and County is recommended to be \$59,533.73 In the event of an emergency, the Commission may request a loan from the County to complete a given fiscal year. The County is not obligated to funds such a loan. In that case, LAFCo may be able to budget funds in a subsequent fiscal year.

#### SUMMARY OF EXPENSES:

Insurance The Commission recommended in its proposed budget \$1,000.00 for that item to pay the County Auditor for LAFCO's share of County Insurance.

Office Supplies The Commission recommended in its proposed budget \$250.00 Depending upon LAFCO activity this could be augmented by an increased appropriation from unanticipated revenue.

Copies This amount is proposed to be \$750.00 to be used for general copying of reports and packets. Copy costs are expensive and the Commission would be encouraged to be sent electronic packets instead.

Communications This is proposed to be \$1,000.00 for general communications for phone, Internet and fax.

Postage This is proposed to be \$300.00 for public notices and mailings.

Memberships The Commission recommended in its proposed budget \$ 1,472.00 this is for Calafco Dues voted upon by the Calafco membership.

Legal Services The Commission recommended in its proposed budget \$2,500.00 for this item. LAFCO Counsel attends LAFCO meetings as requested by the Commission. Some of the Brown Act Compliance funds may be used for legal services, if required. It is anticipated if budget augmentations were needed in this category, additional appropriation would come from unanticipated revenue.

Executive Officer Services The Commission recommended in its proposed budget \$40,000 for this item an increase of \$10,000.00 This translates into an average of \$3,333.33 per month average for LAFCO administration. This category is be augmented from the Brown Act Compliance category (\$3,500.00) since Brown Act compliance requires administrative time. Notwithstanding a very complex reorganization or incorporation project for Lassen LAFCO, this amount should cover LAFCO administration. Complex projects should be fee supported thereby increasing revenue to LAFCO. It is anticipated if budget augmentations were needed in this category, additional appropriation would come from unanticipated revenue. The Brown Act Compliance category is based on 7 meetings at \$3,500.00.

Legal Notices/Publications The Commission recommended in its proposed budget \$400.00 for legal notices. Given the cost of legal advertising and the projected workload this amount remains reasonable.

Transportation/Mileage/Training/Conferences Last year the Calafco Conference was cancelled, the year before the Commission send one Commissioner. The Commission recommended in its proposed budget \$2,000 for this item. This includes miscellaneous mileage and lodging for the Calafco Annual Conference in Newport Beach (Santa Ana) on October 19-21, 2022 and the annual Staff Workshop to be in Calaveras County.

Municipal Service Reviews The Commission recommended in its proposed budget \$14,000.00 for this effort, which would cover additional costs of preparing Reviews as required by the LAFCO Act.

Sphere of Influence Updates The Commission recommended in its proposed budget \$4,000.00 to cover the costs of updating Spheres of Influence as required by the LAFCO Act.

Special Departmental Expense (MAPPING) The Commission allocated \$2,000.00 for GIS mapping for continuing Sphere of Influence Update mapping. Lassen County has no GIS program and GIS mapping is now the standard mapping method and also eliminates the vague unusable maps of the past. A significant cost of Sphere of Influence updates is mapping.

File Management and Scanning: It is becoming increasingly important for the LAFCo files to be put into electronic format to become accessible. \$5,000 is budgeted for this effort for FY 2022-2023.

Audit The Commission appropriated no funds in this category since this item is covered under Financial Services, below.

Financial Services LAFCO has a contract with the City of Susanville to provide financial services which were budgeted for \$1,722.30. LAFCo does not participate in the County's A-87 program.

Clerk Support The Commission recommended in its proposed budget \$1,500.00 for this item to be paid to the City of Susanville for this service.

Contingency/Carryover The Commission policy recommends the contingency should be no more than 10 percent of the operating budget and carryover should be used to fund the contingency. This amount is \$8,139.43 for FY 2022-2023.

**Recommendation:**

- a. Review, discuss, amend, and consider the 2022-2023 Final Budget. A budget justification report for FY 2022-2023 was prepared by staff for the adopted proposed budget on April 1, 2022.
- b. Adopt LAFCO Resolution 2022-0005 approving a Final Budget for Fiscal Year 2022-2023.

*Resolution of the Lassen Local Agency Formation Commission Adopting  
a Final Budget for 2022-2023*

WHEREAS, Lassen LAFCO is required by Government Code Section 56381(a) to adopt annually, following a noticed public hearing, a proposed budget by May 1<sup>st</sup> and a final budget by June 15<sup>th</sup>; and,

WHEREAS, the Commission has prepared a final budget for public review; and,

WHEREAS, the Executive Officer has given notice of hearing in the form and manner specified by law for adoption of both the proposed and final budget and upon the date, time and place specified in said notice of hearing, the Commission heard, discussed and considered all oral and written testimony submitted including, but not limited to, the approved budget priorities for Fiscal Year 2022-2023 and the Executive Officer's report and recommendations; and

WHEREAS, the Commission has considered the attached Final Budget in light of the requirements of the Cortese-Knox-Hertzberg Local Government Reorganization Act of 2000;

NOW THEREFORE, the Lassen Local Agency Formation Commission does hereby determine, resolve, and order the following:

1. That Lassen LAFCO hereby adopts the attached Exhibit "A" final 2022-2023 budget.
2. Directs the Executive Officer to transmit the final budget to the Auditor and all parties specified in Government Code Section 56381 (a) as promptly as possible.
3. The Commission hereby requests the Auditor to collect the funds in accordance with Government Code Section 56381 (c). In the event of non-payment of LAFCO funds by any entity subject to the LAFCO's apportionment, the Commission hereby requests and authorizes the Auditor to collect the funds from property tax revenues or any other revenue source and deposit the funds into the LAFCO account.
4. Due to the fiscal constraints of funding agencies, the Commission no longer maintains a reserve fund. In the event emergency funds are needed the County will be asked to loan LAFCO funds, alternatively, LAFCO will budget funds in future years.
5. The Commission desires to use carryover funds remaining from the 2021-2022 budget to help fund its contingency and to prepare service reviews and sphere updates in the amounts specified on the attached 2022-2023 final budget.

PASSED AND ADOPTED by the Lassen Local Agency Formation Commission at a regular meeting of said Commission held on June 13<sup>th</sup> , 2022 by the following roll call vote:

**RE: *SUPPORT of SB 938: The Cortese-Knox-Hertzberg Local Government Reorganization Act of 2000: protest proceedings: procedural consolidation.***

Dear Senator Hertzberg:

The Lassen Local Agency Formation Commission (LAFCo) is pleased to join the California Association of Local Agency Formation Commissions (CALAFCO) in support of your bill, SB 938, which makes changes to the Cortese-Knox-Hertzberg Local Government Reorganization Act of 2000 (The Act). SB 938 represents a collaborative three-year effort led by CALAFCO to clean up, consolidate, and clarify existing statutory provisions associated with consolidations and dissolutions, as well as codify the conditions under which LAFCo may initiate dissolution of a district at the 25% protest threshold (the latter of which are proposed and pending amendments).

The statutes related to protest provisions and the disparate protest thresholds established for LAFCo-initiated actions (10%) and all other initiated actions (25%) make addressing necessary and appropriate special district consolidations and dissolutions considerably more difficult when initiated by a LAFCo. Further, they serve as a deterrent for LAFCo to initiate action, even if meaningful efficiencies in the provision of public services could be achieved or if a district is failing to meet its statutory requirements.

As introduced, the bill represents the redraft of existing protest statutes with some minor technical clarifications added. The pending proposed amendments from CALAFCO allow LAFCOs to initiate dissolution of a district at the 25% protest threshold under specific circumstances. All of this work is in response to a recommendation made in the 2017 Little Hoover Commission report after a year-long study (*Special Districts: Improving Oversight and Transparency*) and the formation of a working group by CALAFCO of stakeholders in early 2019. The intent was to examine the protest process for consolidations and dissolutions of special districts, and after three years of work (delayed due to the pandemic), the working group came to consensus on the redraft of existing protest statutes (representative of SB 938 as introduced) and a new process that allows LAFCOs to initiate dissolution of a district at the 25% protest threshold under specific circumstances (pending amendment into SB 938).

The overarching goal of these changes is to ensure that LAFCOs have the tools we need to carry out our statutory obligations to ensure orderly and functioning local government services and to create greater consistency in the statute. The specific circumstances under which a dissolution may be initiated are more than reasonable and the subsequent process includes three noticed public hearings, a minimum 12-month remediation period, and a 60-day protest period, all of which are extremely practical. Additionally, the proposed process for LAFCo-initiated actions at the 25% protest threshold applies only to dissolutions, making the scope of use exceptionally narrow.

SB 938 makes much needed and long-awaited improvements to The Act through the restructure and clarification of existing protest provisions, and addition of a fair and appropriate process that offers LAFCOs additional tools necessary to effectively fulfill their statutory obligations.

We thank you for your authorship of this critical legislation and for continuing your long support of the work of LAFCOs. For all these reasons, we are pleased to support your bill SB 938.

Yours sincerely,

Todd Eid  
Chair, Lassen LAFCo
